

Multi-Digit Pro

All-in-one

Electronic angle measurer, electronic slope measurer and laser spirit level. Easy and accurate. For measuring angles, inclinations, sloped and plane surfaces.

Features

- » Displays angle and inclinations simultaneously
- » Angle measurement in degrees
- » Inclination in degrees (°) or percent (%)
- » Automatic digit inversion for overhead measurements
- » Working range of angle measurement 0 to 180°
- » Automatic shut-off
- » HOLD function to freeze measurement
- » 180°-lock to prolong the unit to 1 m length
- » Arm can be locked in every desired position
- » Visible laser beam to extend working range
- » 1/4– thread for camera tripod
- » Zero position re-set (between 0° and 33°)

Supplied with

- » Padded bag
- » Batteries

PRODUCT INFORMATION

Technical data

Working range angle

0° – 180°

Resolution

0,1°

Accuracy angle

± 0,1°

Working range inclination

0° – 90° or 0 % – 100 %

Resolution

0,1° or 0,1%

Accuracy inclination

0,2°

Range of laser

20 m

Accuracy laser

± 0,5 mm / 1 m

Wave length

650 nm

Laser class

2

Temperature range

-10 °C bis 45 °C

Power supply / Operating time

3 x 1.2 V AA/48 h

Length (unfolded)

530 mm (1.000 mm)

Weight

1,3 kg incl. batteries
